

# Stop the spread of invasive aquatic plants by spreading the word...

## *NOW AVAILABLE* Invasive Plant Awareness Signs

To purchase Invasive Plant Awareness Signs, complete the order form and return to Allied Biological.

Allied Biological and SePro Corporation are donating proceeds from the first 200 signs sold to The Nature Conservancy to support invasive species eradication efforts.

# Invasive Plant Awareness Signs

---

- Each sign is 13"x 18", constructed of hard, weather resistant plastic and easily mounts to a post with screws.
- Proceeds from the first 200 signs sold will be donated to The Nature Conservancy to support invasives species eradication efforts.
- Signs can be purchased for \$10.00/sign. An invoice will be submitted following receipt of an order.
- Signs will be delivered to Allied Biological clients when the initial on-site visit is scheduled. If requested, signs can mailed via USPS for an additional fee of \$4.00/sign.
