Spring 2000	Snyders Lake Milfoil Control - 2 years and counting!
Summer 2006	The Management Plan - An Invaluable Tool
Spring 2004	Waneta Lake - No More Milfoil - Brilliant!
Fall 2007	What to consider before you lower the lake

## Aquatic Vegetation Information

Spring 2000	Algae - Did you know...
Spring 2001	Aquatic Plants vs. Invasive Species
Fall 2008	Godzilla vs. New York!!!
Spring 2003	Nonindigenous Aquatic Plants " A Garden of Earthly Delights"
Fall 2008	Plant Invader: Brazilian Elodea ( <i>Egeria densa</i> )
Summer 2006	Plant Invader: Cattail ( <i>Typha</i> sp.)
Spring 2002	Plant Invader: Common Reed ( <i>Phragmites australis</i> )
Spring 2005	Plant Invader: Fanwort ( <i>Cabomba caroliniana</i> )
Spring 2003	Plant Invader: Hydrilla ( <i>Hydrilla verticillata</i> )
Spring 2004	Plant Invader: Parrot Feather ( <i>Myriophyllum aquaticum</i> )
Spring 2001	Plant Invader: Purple Loosestrife ( <i>Lythrum salicaria</i> )
Fall 2007	Plant Invader: Variable Watermilfoil ( <i>Myriophyllum heterophyllum</i> )
Spring 2000	Plant Invader: Water Chestnut ( <i>Trapa natans</i> )
Fall 2009	Aquatic Invader: Water Chestnut ( <i>Trapa natans</i> )
Summer 2006	Toxic Algae - what little we know
Fall 2009	The Battle on State Ranked Aquatic Plants
Fall 2008	Water Lilies: Beauty or Beast?
Fall 2007	You Don't Know Didymo

## Dredging

Spring 2001	"Tidelands" Delay Dredging at New Milfoil Park Pond
Spring 2000	Windmill Pond Restoration under way

## Fisheries

Spring 2000	Fisheries Case Study: Tuxedo Lake, New York
Fall 2006	No impact on fish found following Waneta Lake herbicide application

## Geographic Information Systems

Spring 2005	Allied Biological Takes Technological Leaps & Bounds
Fall 2009	Mountain Lake: Improving Success through Technology
Fall 2006	Satellite coverage unreliable for Summer/Fall 2006

## Health Information

Spring 2000	Swimmers Itch
-------------	---------------

## Herbicide & Algaecide Information

Spring 2005	A non-copper algaecide? That adds oxygen!
Fall 2006	Allied Biological discontinues use of copper sulfate in lake & ponds
Spring 2002	Cutrine Plus vs. Copper Sulfate
Fall 2006	Cutrine Plus vs. Copper Sulfate
Spring 2004	From the President's Desk
Summer 2006	How Weather Affects Herbicide Performance
Fall 2006	June rains problematic for Sonar Applications
Spring 2004	Pond chlorination halted!

## Integrated Pest Management

Spring 2000	"Double agents"- A Biocontrol Commentary
Spring 2002	Bristol-Myers Squibb invest in IPM's to improve water quality
Spring 2000	Watersheds and IPMs

## Lake Mapping

Fall 2008	The benefits of Bathymetric Mapping your lake
Fall 2009	Mountain Lake: Improving Success through Technology

## Nutrient Information & Reduction

Fall 2007	Fertilizers and Lakes
Spring 2000	Nutrient Reduction at Mountain Lake boasts 5 years of success!
Spring 2003	Phosphorus - What's in Your Lake's Wallet?
Spring 2003	Slow Feed Alum Systems

## Regulatory Issues

Spring 2005	New York adds hurdles to aquatic herbicide process
Fall 2009	NPDES Permits for Aquatic Pesticides
Fall 2006	The Fishing Restriction has been removed for all Endothall Products, Aquathol K, Aquathol Super K, Hydrothol 191 and Hydrothol Granular
